

## Household waste

Household waste belongs in the grey bin

Examples:

- Wallpaper
- Nappies
- Window and mirror glass
- Vacuum cleaner bags
- Toiletries
- Adhesive tapes
- Leather goods
- Porcelain, ceramics, earthenware
- Sponges and dish cloths
- Road sweepings
- Carpet trimmings
- Cigarette ends
- Small wooden articles
- Medicaments

**DON'T** throw recyclable waste and on no account appliances or hazardous waste in the grey bin.

## Organic waste

Dispose of your biodegradable waste – cost-effectively – in the green bin

Examples:

- Fruit and vegetable peelings
- Eggshells
- Used paper towels
- Coffee grounds and tea leaves
- Plants and cut flowers
- Uncooked food waste
- Citrus fruits
- Green waste

**DON'T** throw liquid waste, plastics and cigarette ends in the green bin.

## Green waste

Green waste can be disposed against payment at the green waste collection points or recycling points.

Examples:

- Garden cuttings and weeds
- Leaves and hedge trimmings
- Grass cuttings

## Yellow sack

Dispose of all one-way metal, plastic or composite packaging in the yellow sack

Examples:

- Metal packaging: Food and drink cans, aluminium caps, aluminium foil
- Packaging from composite materials: drink cartons, fruit juice and milk cartons, coffee packaging
- Plastic packaging: Plastic foil, bags, yoghurt pots, plastic bottles

## Orange bin/recyclable materials

Dispose of recyclable materials in the orange bin

**DON'T** throw music or video cassettes, batteries, light bulbs, energy-saving bulbs, fluorescent tubes and building rubble in the orange bin.

Examples:

- Plastic materials
- Metals
- Data media such as CD, DVD and blu-rays.

## Paper waste

Throw paper and cardboard in the blue bin or paper bank

Examples:

- Newspapers
- Magazines
- Brochures
- Catalogues
- Writing paper
- Paper and cardboard packaging

Dispose of wallpaper, sanitary tissue and coated papers in the grey bin.

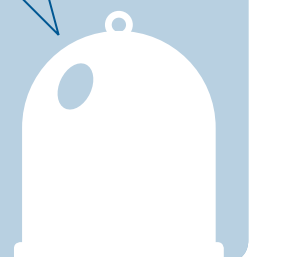

## Glass

Glass belongs in the public bottle banks for different-coloured glass

Examples:

- Non-returnable bottles and jars, with or without tops, glass drinks bottles, preserve or jam jars, other glass packaging
- Dispose of coloured glass that is neither green nor brown in the bottle bank for green glass.

Throw porcelain, window and mirror glass in the grey bin.

## Bulky waste

You can transport free-standing items of furniture to the recycling depot yourself or it can be collected on site by appointment and for a reasonable charge. Take advantage of our special collection service: **0681/905-7311**

## Hazardous waste

Hazardous waste and toxic substances are disposed of twice a year free charge by the Ökomobil. Find out when the Ökomobil will be near you by calling 0681/905-2000 or the Internet.

**Mondays** from 9 am - 4.45 pm the Ökomobil is at the **Wiesenstraße 20** recycling depot.

**Fridays** from 9 am - 4.45 pm the Ökomobil is at the **Am Holzbrunnen 4** recycling depot.
